

“Wharf Style”

Peppers Seaport Hotel delivers a new and vibrant experience of Launceston. Located where the North and South Esk Rivers meet to become the Tamar River, the hotel takes its character from the thriving waterfront location.

Built in the shape of a ship on the site of an old dry dock, the hotel's stylish, contemporary design has a distinctly nautical feel.

ACCOMMODATION

Most of the 60 deluxe rooms and suites have balconies with city or river views.

- King beds / split king singles and queen beds
- Bathroom with shower
- Luxuriously appointed suites with separate living area and dining room, kitchen, laundry facilities, DVD player and private balcony. All rooms can connect with one other room for larger groups or families.

DINING

On the ground floor, Mud Bar & Restaurant offers a fine blend of modern Australian and Italian cuisine along with stunning views of Seaport. A variety of other restaurants and cafes line the waterfront.

LOCAL ATTRACTIONS

The Tamar Valley is Tasmania's major cool-climate wine producing region and is ideal for wine touring. Most vineyards have cellar-door sales and several have their own restaurants.

Guests can take a boat from Peppers Seaport Hotel for a winery tour or simply enjoy a cruise through beautiful countryside as the Tamar meanders toward the sea.

LOCATION

Peppers Seaport Hotel is a 5 minute walk from Launceston's CBD or a 15 minute drive from Launceston Airport.
